TOWN OF SUGAR HILL WARRANT

To the Inhabitants of the Town of Sugar Hill, in the County of Grafton, and the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Meetinghouse, Sugar Hill, New Hampshire, Tuesday the eleventh day of March, 1980 A.D. at 7:30 PM to act on the following subjects:

Article 1. To choose a Town Clerk, a Moderator for a term of two years, a Selectman for a term of three years, a Town Treasurer, a Collector of Taxes, an Auditor, an Overseer of Public Welfare, a Library Trustee for a term of three years, a Member of the Board of Adjustment for a term of five years, and three persons for a term of one year each to act as Appointing Authority to appoint temporary members to the Board of Adjustment in case of disqualification, resignation, death or absence of any permanent member or members, a Trustee of Trust Funds for a term of three years, a Supervisor of the Checklist for a term of six years, a Supervisor of the Checklist for a term of four years, a Carolina Crapo Fund Trustee for a term of six years.

Article 2. To see if the Town will vote to raise and appropriate the sum of \$4,800.00 (four thousand eight hundred dollars) for the Fire Department Equipment Reserve Fund, the sum of \$2,575.00 (two thousand five hundred seventy-five dollars) for the Highway Department Equipment Reserve Fund, the sum of \$3,000.00 (three thousand dollars) for the Police Department Equipment Reserve Fund.

Article 3. To see if the Town will vote to approve the following salary schedule changes for the Town Officers:

Selectman, Chairman	\$ 575.00
Selectman	525.00
Selectman	525.00
Town Treasurer	525.00
Overseer of Public Welfare	150.00
Town Moderator	100.00
Auditor	50.00
Town Clerk	950.00
Tax Collector	1,150.00

Article 4. To see if the Town will vote to authorize the Selectmen to transfer the balance of funds in the amount of \$1,300.00 (one thousand three hundred dollars) which was left over from the Highway truck appropriation in 1979 to the Highway Department Equipment Reserve Fund.

Article 5. To see if the Town will vote to raise and appropriate the sum of \$200.00 (two hundred dollars) for the Town Park Maintenance and to select a committee of three persons to oversee the same under the direction of the Board of Selectmen.

Article 6. To see if the Town will vote to authorize the Selectmen to apply for, contract for, and accept aid from the government of the United States and the government of New Hampshire and to authorize using Revenue Sharing Fund monies as the local matching share as approved by the Amended Revenue Sharing Guideline, Section D, of December 31, 1978 and to authorize the Selectmen to spend such funds.

Article 7. To raise such sums of money as may be necessary to defray Town charges and make appropriations of the same as set forth in the following budget:

Town Officers' Salaries	\$ 4,550.00
Town Officers' Expenses	6,300.00
Election and Registration Expenses	750.00
Town Hall and Other Town Building Expenses	7,000.00
Police Department	17,800.00
Fire Department	13,500.00
Planning and Zoning	1,200.00
Insurance	12,000.00
Civil Defense	50.00
Health Department, including Hospital	* 2,633.00 *
Vital Statistics	15.00
Solid Waste Disposal	8,000.00
Town Road Aid	645.42
Town Road Maintenance - Summer	23,400.00
Town Road Maintenance - Winter	10,000.00
Street Lighting	8,000.00
General Expense of the Highway Department	10,000.00
Library	2,500.00
Town Poor	1,000.00
Old Age Assistance	2,000.00
Memorial Day and Town Anniversary Day	500.00
Franconia-Sugar Hill-Easton Recreation Program	1,602.25
Cemeteries	600.00
Damages and Legal Expenses	250.00
Employees Retirement and Social Security	2,900.00
Principal on Long Term Loans	12,175.00
Interest on Long Term Loans	3,645.88
Interest on Temporary Loans	3,100.00
Franconia-Sugar Hill-Easton Chamber of Commerce	2,550.00
	<hr/>
	\$158,666.55

Article 8. To see if the Town will vote to authorize the Selectmen to transfer the unexpended balance of \$100.62 (one hundred dollars and sixty-two cents) from the 1979 Riding Lawn Mower appropriation to the General Fund.

Article 9. To see how much the Town will vote to raise and appropriate as a donation to the White Mountain Region Association.

Article 10. To see if the Town will vote to authorize the Library Trustees to expend the 1979 Revenue Sharing Appropriation in the amount of \$3,000.00(three thousand dollars) for the improvement of walk leading to the Library Building, water supply system, parking lot or other needs.

Article 11. To see if the Town will appropriate the sum of \$10,150.00 (ten thousand one hundred fifty dollars) for repairs and improvements to the Meetinghouse, and authorize the Selectmen to withdraw \$4,013.45 from Revenue Sharing Funds received in 1979 and the balance of Revenue Sharing Funds to be received in 1980 (approximately \$6,137.00).

Article 12. To see if the Town will vote to raise and appropriate the sum of \$6,000.00 (six thousand dollars) for the revaluation of property in the Town.

Article 13. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Article 14. To see if the Town will direct a discount of one percent (1%) to be made to those persons or corporations who shall pay taxes within a period of time three weeks from the date of the tax bill.

Article 15. To see if the Town will vote to instruct the Moderator to appoint such committees as seem necessary and to have such committees report to the Board of Selectmen by October 1, 1980.

Article 16. To transact any other business that may legally come before this meeting.

Given under our hands and seals this fourth day of February, Nineteen Hundred and Eighty.

Roger H. Aldrich
Donald E. Jesseman
David W. Presby

Selectmen
Town of Sugar Hill, New Hampshire

AUDITOR'S REPORT

I certify that I have examined the accounts of the town clerk, town tax collector, town treasurer, town selectmen, trustees of the trust funds and library trustees and find them correct and properly vouched.

Edward G. Pinkerton

Town Auditor
January 29, 1980

LIBRARIAN'S REPORT

In accordance with the trend of libraries to further their commitment to the public, the Richardson Memorial Library joined with six other area libraries in 1979 to form the North Country Library Co-op. In conjunction with the New Hampshire Commission on the Arts which gave matching funds to the libraries, a free puppet show was sponsored for the children of the area in November. There will be more performances in 1980 of a dramatic nature sponsored by the libraries which will be available without charge to the children.

Due to inflation, the cost of books to the library rose during the year, but gifts of money and donations of books helped considerably for which the library is most grateful. Our library is a member of the New Hampshire Statewide Development Program and one of the qualifications it must meet is that the amount of money spent for books in the current year must equal or exceed the amount spent in the second previous year.

The Trustees assisted the librarian in weeding out-dated books and those that had not circulated for several years and they were put on sale. This process is necessary in order to make room for new books on the shelves.

The children at Crapo Memorial School continue to come to the library in good weather to learn library procedures and to check out books. The librarian has a story hour and also takes books to the school in inclement weather.

As always there were exhibits in the Reading Room of topical interest. The White Mountain Garden Club donated money for our window boxes and for the magazine, *Flower and Garden*. A memorial fund was established in the name of Dorothy I. Parker who had formerly assisted at the library. From this memorial fund the library purchased rare historical reference books from the Hazel Pickwick collection. The remainder is being held for special purposes such as providing a carpet for the Children's Section.

The library is not asking for more money this year for its budget although all of its expenses have risen because of inflation. Each year some necessary repair work must be accomplished and in 1979 it was found that the chimney had to be rebuilt which was paid for by memorial funds. The damage to the library caused by lightning was paid for by insurance. However, it is not always possible to estimate what repairs may be needed. It is hoped that nothing unusual will be found to need attention this year.

The Trustees and librarian regret that the Advisory Committee did not feel the necessity of having a driveway and parking lot which will undoubtedly be needed in years to come. In the meantime, through the generosity of Mrs. Ernst Glaessel, patrons may continue to use the parking lot which she and her husband offered us several years ago and is located diagonally across the street from the library.

The money for the parking lot and driveway project was available through Federal Revenue Sharing Funds. This money comes from the Federal government and is not raised by local taxes. It must be used within two years or it will be lost to the town. The library has no running water or septic system. The Advisory Committee recommended exploration of water resources and improvement of the sidewalk for easier access to the library. It is hoped that the Revenue Sharing Fund of \$3,000.00 not used for the parking lot and driveway can be used for water resources and the sidewalk.

As always, books are available for shut-ins, there are Large Print books for those who need them, and special requests can be met by the State Library. The Bookmobile continues to augment our collection by its visits with fiction and non-fiction books.

During the year, the librarian attended several professional meetings. The Trustees also attended meetings of the North Country Advisory Council to discuss mutual problems and ways to meet the library needs of our area.

The librarian extends her appreciation for the support of the Trustees and the library's patrons. Suggestions for the improvement of library services are welcome.

Respectfully submitted,

Marion L. Sullivan
Librarian

FROM THE SELECTMEN'S POINT OF VIEW

As we look back on this past year we are pleased with our progress. Since incorporating in 1962 we have brought the fire, police and highway departments to their present levels; in doing so we try to achieve a balance between needs and costs. This keeps our town taxes down.

In keeping with our policy of purchasing new equipment to keep all departments up to date, the town purchased a new highway truck for \$11,200.00. This was a savings of \$1,300.00 out of the total appropriation of \$12,500.00. Also a riding lawn mower was purchased for \$899.38, a savings of \$100.62 from the total appropriated \$1,000.00.

We are continuing to upgrade our road system through the use of Town Road Aid (TRA) and State Highway Subsidy money. There has been considerable comment on the upgrading of several roads in town, the Hadley road in particular. Since we are receiving this state funding we must comply with their rules. This is why, to some, there seems to be more construction than is needed, but in the future, enlarging these roads will benefit everyone.

This last year saw the passing of a great friend to Sugar Hill. Mary Peckett had been the Overseer of the Public Welfare since our incorporation in 1962. She was a most valued and respected member of our town, and she gave of herself in so many ways. She will be greatly missed.

Last year \$200.00 was appropriated for a town park. Thanks to the help of many interested people we feel that they have made a very good start and the money has been well spent.

The surveying of lots at the Lucy Hannah Cemetery has been completed and they are now ready for sale to residents of Sugar Hill.

During the last year Franconia and Sugar Hill contracted to provide fire protection to the Town of Easton.

The budget hearing was held on January 30th. The total attendance was 7 people, make it 11 if you want to count us and our secretary. There were 3 people from the fire department, 1 from the highway department, 2 from the library, and 1 reporter from the Courier. We can only take this to mean one of two things. A lack of concern about the budget or agreement with our methods. All those who may happen to be in disagreement with any part of the budget should come to the hearing and make their wishes known.

Last year's budget ended with a current surplus in excess of \$30,000.00, which in these times of inflation is a good indication that each department is doing what it can to conserve.

The tax rate for 1979 was down from the previous year. If we have no unforeseen problems, the town tax rate for 1980 will remain about the same as 1979.

We are hoping for broad support for certain necessary repairs to the Meetinghouse. These include foundation repair, insulating the back wall and some general maintenance. This is a fine old building which we would not like to see fall into disrepair, as it is very useful to everyone.

We would like to commend the Sugar Hill Planning Board for the excellent job they have done in the past year. Because of their efforts our town will stay the scenic, and beautiful place we all enjoy.

We are faced with the problem of Reassessment in the near future. The new Town Tax Map will be used to determine the number of acres on the tax assessment card and each card will bear the lot number of the map. There are now differences in acreage between the old cards and the tax map. If the owner of a lot feels that the map is not correct it will be the responsibility of the owner to furnish proof that the map is incorrect. The town cannot, of course, survey personal property.

For those who have land under "Current Use Assessment" be advised that the Current Land Use values may be raised. The State Land Use Review Board has recently proposed substantial increases in current use values. Hearings have been held in certain areas. No one yet knows the final outcome. Look for up!!

During the past years there have been several Study Committees appointed for the study of various problems, which is all well and good. There appears to have been, at times, a lack of understanding of their function and their powers. Their basic function is to study a proposition objectively and determine its long range benefits to the citizens. The committee should meet at least once with selectmen to determine their aims and if a police matter, meet with the Chief; if a fire department matter, meet with the Fire Chief, etc. After this they should make their study and then write up their conclusions.

It should be stressed, here, that their findings and recommendations are not necessarily binding on the group responsible for the project in question. The group responsible for the project should, of course, consider the findings very carefully.

Perhaps this will aid future study committees in their endeavors.

TOWN OF SUGAR HILL

REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Prevention and control of forest fires is handled through a cooperative effort between town/city fire organizations and the State Forest Fire Service.

Since 1903, when the first forest fire laws were passed by our Legislature, the State Forester has appointed someone in each municipality as a Forest Fire Warden and charged him with the responsibility of forest fire prevention and control within his town/city. This person may ask the State Forester to appoint as many Deputy Forest Fire Wardens as may be necessary to efficiently carry out his charge.

The State Forester has divided the State into ten forest fire districts with a full time District Forest Fire Chief in each district. The State organization is charged with assisting the municipal forest fire organization in any way possible.

State personnel conduct fire training schools, assist with forest fire suppression, fire cause investigation, prosecution of fire law violators and forest fire prevention programs. Forest fire suppression equipment is purchased through State bulk purchasing ability and sold to local forest fire organizations at one-half cost. Excess military property is obtained and turned over to town/city fire departments at no cost to local departments for conversion into fire suppression units. This cooperative arrangement between State and municipality has resulted in one of the best forest fire records in the United States with less than one-half acre of woodland burned in each fire reported.

1979 Forest Fire Statistics

	No. of Fires	No. of Acres
State.....	1,099	318.0
District	21	16.4
Town	1	1.0

There were 79 permits to kindle fire issued in Sugar Hill this year.

District Fire Chief — John Q. Ricard

Forest Fire Warden — Bradford H. Whipple

SUGAR HILL FIRE DEPARTMENT

A quiet year? Not exactly. During the past year the men and women of the Sugar Hill Fire Department put in approximately 400 man hours on calls excluding time spent in meetings and drills. However, it was time well spent since property damage was held at a minimum.

As you'd expect, with this amount of time put in, our new fire truck received quite a workout. And we're pleased to report it has come through with flying colors. It has performed as well or better than expected under all conditions including once when the temperature was -30°. Problems have been few and very minor in nature.

Also, the past year marked the first full year of operation of the Twin State Fire Mutual Aid Dispatch Center, and we can't say enough about it's value. At a moment's notice we can have manpower and equipment on the way to handle virtually every fire emergency.

Again our biggest problem this year has been manpower. With the department down to 10-15 people, we can expect maybe 7 or 8 to be available at any one time to respond to a fire. This just isn't enough. Granted, we can call on surrounding towns for assistance via Twin State Mutual Aid, but on the other side of the coin we must be able to return the favor should they need it. With manpower in the department dropping this will soon be impossible. Enough said for now Everyone is welcome to our meetings on the first Wednesday of each month.

Finally, we would like to address the issue of our budget request for this year. Yes, it is indeed up by 16 percent but let's look at where that increase comes. The price of oil has nearly doubled bringing our **building expenses up by 38%**. We have proposed that body work and a paint job be done on the 1962 International pumper. With luck that will keep it around for a few extra years . . . without that work . . . who knows? At any rate expenses for vehicle repairs are up by 118%, and salaries are up by 20% . . . so is the minimum wage and that's what we're paid. Finally, lets turn to new equipment - last year we requested \$3,950.00, this year \$1,375.00 and that's a **decrease of 65%**! As you can now see, the budget increase is hardly frivolous. It's simply the amount we need to maintain the status quo! We'll worry about that another year.

Respectfully submitted,

STATEMENT OF FIRE STATION PARK - 1979

With a great deal of volunteer help, the total amount spent on park improvement came to \$57.00. Robert McLachlin did not submit a bill for the mowing and trimming this year. There is a balance of \$143.00 from the \$200.00 allotted to Park Improvements, which I would like to see carried over to meet next year's expenses (including the purchase of a willow tree to be planted near the pond).

Respectfully submitted,

Jane L. Vincent

POLICE DEPARTMENT

"The Chief's Opinion"

The increased crime rate which appears to be sweeping the nation seems to have side-stepped Sugar Hill at least for the time being.

Viewed from one set of statistics, it would appear that we had a bad year. The Sugar Hill Police Department was instrumental in the recovery of eight stolen vehicles and the arrest of seven subjects who were responsible. This alone would make it appear that we had a sharp increase in crime but only one of these vehicles was stolen in Sugar Hill. The Department recovered stolen property valued in excess of \$40,000 and collected over \$1,500 in restitution for losses and damages to private property.

Enforcement on motor vehicle violations accounts for a great deal of time, but with the hardship and other effects of a tighter economy, we have felt the need to increase the surveillance of seasonal homes to guard against burglary. Experience has taught us that it is wiser and much less expensive to prevent than it is to investigate afterward.

There were nine motor vehicle accidents in Sugar Hill this year, one of which claimed the life of a young man.

What remains to be said is the basis for the title of my report. For a long time I have been hearing criticism about the lack of good attitudes in our young people in their schools and communities. Having the opportunity to spend time with some of them in the schools and varied activities I can assure you that we could not have been more wrong. Perhaps we, or I, find it too difficult to keep an open mind when we come across a youth with a problem or caught up in a situation involving the law. In most cases when a juvenile is in trouble, regardless of the nature, it can be traced back to a person of adult age who has contributed to the problem either through neglect of duty, enticement or some other reason. Most of the time the trouble will be something done after the use of alcohol or a controlled drug and I can assure you that it stems from an adult usually out for monetary gain.

During 1979 I found more neighbors helping neighbors and more looking out for one another than ever before but I guess that is what makes Sugar Hill the unique New England town that it is.

Now that I have expressed my opinion I would like to thank the special officers and Selectmen of Sugar Hill for their assistance and backing which makes possible the functions of the Department.

Respectfully submitted,

Chief Gary G. Young

LIBRARY STUDY COMMITTEE

This is the report from the study committee which was appointed at the town meeting 1978 to review the need to build a driveway and parking lot at the Richardson Library.

We recommend rerouting the existing path to create a gentler incline to the front door now in use. We do not feel the library is used by enough people who drive there to warrant the expense of the parking lot. There are 4 members of the committee. This decision was not unanimous.

SUGAR HILL CONSERVATION COMMISSION

The woodlands of Sugar Hill are many things --- an energy source, places of beauty, homes for wildlife, preserver of water, lumber supply, and, in good hands, a lasting and renewable resource. Conservation, now recognized as a major energy source, should be applied to our forests.

As we heat more of our homes with wood and receive more requests for timber sales woodland owners may wish to consider proper management of such a valued resource. It is often said that a well cared for woodlot can supply up to a cord per acre per year, but it may be more realistic to plan on one half a cord.

Get to know your woods, the species, the promising trees, the trees that need to be culled out (and can be used for firewood) so that the stand can be upgraded. Look upon this asset as a continual source of energy and pleasure.

We will be wise to start now with prudent and good management programs. The following list of books and people and organizations can assist you.

Wood Heat Safety by Jay Shelton, Garden Way Press. (Our fire department has this book)

Heating with Wood by Michael Harris, Citadel Press. (Good information about your woodlots)

Society for the Protection of New Hampshire Forests - 5 South Street, Concord, New Hampshire. (A storehouse of information about woods, lists of foresters, preservation of woods, etc.)

New England Forestry Foundation - 47 Maple Street, Littleton, New Hampshire
Grafton County Coop Extension - Leslie Sargent, County Forester, New Court House, Route 10, North Haverhill, New Hampshire. (Good source of advice for the small woodland owners)

The U.S. Department of Agriculture is planning a Pilot Fuelwood Project for New Hampshire, Vermont, Massachusetts and Maine. Contact your Agricultural Stabilization and Conservation Service, Woodsville, New Hampshire.

TOWN OF SUGAR HILL

To the Citizens of Grafton County:

In an effort to communicate more directly with the taxpaying citizens of Grafton County, we, the Grafton County Commissioners, are writing to you through your individual town or municipal reports.

Last year (1978-79) the total county tax raised was \$1,977,142.00. These monies were appropriated by the County Delegation and administered by the Commissioners. Some of the ways this money was spent was in maintenance of our courthouse, nursing home, county farm, sheriff's department, jail and house of correction, social welfare, etc.

The average number of patients in our nursing home is 140. The average daily census of the Jail/House of Correction is 25. We had a total of 349 inmates in the Jail and 114 inmates in the House of Correction during our fiscal year.

In addition to providing food for the nursing home complex and agricultural services for the community, the farm also continually shows a profit. In our fiscal year 1979 the farm profit was \$60,654, due in part to sales of pigs at \$5,500, cows at \$27,000, wood at \$1,800, hay at \$2,100, milk at \$135,444 and produce at \$48,129.

We have completed Phase II-Design of the sewage project and anticipate beginning construction under Phase III in the spring. The total overall cost of the project is approximately \$540,000, of which \$400,000 is federal grant, \$110,000 State share and \$30,000 County share.

We are making an effort to conserve energy, particularly in the courthouse building, and are taking a hard look at any modifications in this so called "modern" facility that will make it a less expensive consumer of fuel.

A trial dispatching service was instituted for 16 area fire departments and probably will be made a permanent function during the latter part of 1979. A yearly fee is charged for this service.

Grafton County employs 230 people of whom we are very proud. It is because of these people that Grafton County continues to operate efficiently and within budget.

There are many other concerns that we, the Commissioners, deal with. We invite the citizens of Grafton County to take part in any of our regular meetings held each Monday morning at the courthouse in North Haverhill.

Richard L. Bradley, Chairman
Dorothy Campion, Clerk
Arthur Snell
GRAFTON COUNTY COMMISSIONERS
